

# BRAND GUIDELINES

**Welcome to the Wild Side. Just like the perfect shot in the field, using our logo correctly is all about precision. Let's keep our branding sharp, bold, and untamed—just like the great outdoors.**

**Stick to these guidelines, and you'll be right on target!**

## THE LOGO

For over two decades, Wild TV's logo has been a symbol for outdoor adventure, recognized coast to coast & expanding into new markets abroad.

**Wolf Symbol:** Represents leadership, community, and conservation.

**Maple Leaf:** Highlights Wild TV's Canadian roots and commitment to the land.

## LOGO SIZE

### Minimum height for digital

### Minimum height for print

**Minimum Sizes:** The logo has no maximum size but must meet the minimum size for clear visibility.

- Print: 10 mm height
- Digital: 30 px height

## LOGO POSITION

The human eye naturally follows a Z-pattern when scanning. The Wild TV logo should always be placed in the bottom-right corner of the screen, page, or frame for branded content.

Exceptions apply for network assets like lower thirds, fillers, bumpers, sponsorships, end credits, previews, and promo

# LOGO USAGE GUIDELINES

The Wild TV logo must have a clear space around it to prevent overlap with other elements.

This is the minimum requirement, but increasing the space is encouraged whenever possible.
